

Sunnyside Golf & Country Club Nanny Pass Request Form

The Sunnyside Golf & Country Club Nanny Pass is available for \$60 purchase, upon approval, by Club Management for those Members who have pool privileges under their Membership Classification, and utilize the services of an adult nanny or caregiver to supervise their children.

The Nanny Pass allows the Nanny the ability to bring the Membership holders' dependent children to the Club's pool, without the primary adult Members being present, throughout the summer pool season.

At the Member's request, the children listed below will be entrusted in the care of the Nanny while using the Club's pool facilities. The hosting member is responsible for the complete conduct of the hosted nanny.

Please submit the following request, with a copy of the Nanny's driver's license, to taylor@sunnysidecountryclub.com OR the Club's Business Office.
